

## Monthly Report of Bluebell School.

DISTRICT 14  
Our fifth months' school ended February 25, but the report was neglected until it was too late for last week's paper; yet better late than never.

Pupils perfect in attendance and punctuality were: Oscar and Walter Hammontree, Efton and Laura Hottinger and Claude Davis.

Those not tardy during the fifth month were: Loretta Shullenberger, Etta and Grace Hammontree, Burton Neff, Lily and Lizzie Corzine, Wilda, Harry and Bertie Davis, Gladys Clifford and Elijah Wright.

The social on Valentine Eve was a decided success as the children did their very best in the way of entertainment. Mr. Fred Depping brought his Eidson phonograph and furnished music whenever it was necessary to draw the curtain, and the gentlemen bid so generously on boxes and pies that we netted \$31.25. The cakes were awarded to Amy Bowles, most popular young lady, and to Charles Hammontree, the laziest man.

The misfortune of losing everything in our home by fire, while sadly lamented, has only proven to us how Seward county neighbors can rise to meet circumstances and we wish to extend our sincere thanks to those who have been so kind, both far and near. This has placed our school at a disadvantage, but we have never closed school for an hour on account of it. We hope to do more work this month than last.

We will be busy with our 6th and 8th grade champion spellers now, coaching them for the contest which will be held April 1st. Our pupils think that the Bluebell

school house needs a banner to complete the interior decorations.

Mrs. R. J. SLIGER,  
Teacher.

"Foley's Honey and Tar is the best cough remedy I ever used as it quickly stopped a severe cough that had long troubled me", says J. W. Kuhn, Princeton, Nebr. Just so surely and quickly it acts in all cases of coughs, colds, la-grippe and lung trouble. Refuse substitutes.

For Sale by all druggists.

Last Friday after attending the basket dinner at Mount Olive Albert Perry was backing his buggy away from the hitching rack and one of the hind wheels broke down. He went there with a girl and a buggy with four wheels and came back with only three wheels and a rail for the other, and no girl at all. We are sorry to know he met with such an accident as his buggy was a new one.

Mrs. S. A. Hullett returned from Alva, Oklahoma Tuesday. she and her son were bringing a load of their household goods with them, but they were compelled to leave the load about forty miles

east of here as the roads were too bad for freighting.

You will never go "Over the Hills to the Poor House," if you invest in Liberal Town Lots, right now. See Ellsaesser, Woods & Henry.

There were about forty present besides the teacher and school children. After dinner a program was given and the crowd spelled down. All seemed to enjoy themselves very much and the teacher and pupils are proud to think they were remembered in this way.
